

Prot. N. 711/2019 of 12.06.2019

ANNOUNCEMENT: Extension of deadline for submission of applications for Public notice to select young artists in the field of ceramics, of mosaic and fabric within the project “CRAFT LAB”, Programme INTERREG Greece-Italy, MIS Code: 5003879

- Given that Pino Pascali Foundation has approved and published the public notice in object of this announcement;
- Considering that the Public notice to select young artists is one of the most important activities within the project and that it is necessary to further promote the call;
- Since project partners have expressed the urge to extend the established deadline on the 30th day from the call publication;

therefore, please note that the submission date is postponed for additional 8 days. Only the application forms received by June 20th, 2019, at the latest will be accepted.

The remaining content of the call remains unchanged.

Many thanks to candidates who have already submitted their application forms.

More information about the Public notice to select young artists who will be involved in laboratories/workshops for practical training within the project “CRAFT LAB”, as well as application forms for submission is available [here](#).
